### GENERAL SESSION | 4 contact hours

#### PRACTICE MANAGEMENT | Gold 11 & 12

8:30 am - 12:30 pm

#### Controlled Substances 101: How & Why You Must Comply! Nebraska and DEA Regulations Explained

Ms. Jan Woods

##### Hour 1 | A DEA & Nebraska Controlled Substance Regulatory Review

An introduction to DEA and Nebraska controlled substance regulations and why controlled substances are the practitioner's biggest risk!

##### Hour 2 | Just What Are My Controlled Substance Recordkeeping Requirements

Learn how to follow the Nebraska and DEA regulatory requirements when ordering, receiving, storing, logging, administering, dispensing, prescribing, inventorying, transferring and destructing controlled substances. Best practice time-saving suggestions and controlled substance daily reconciliation logs will be shown and discussed at length.

##### Hour 3 | Recognition of the Problem

Learn how to recognize and handle staff and client addiction, improve security and prevent thefts and complying with Nebraska's Prescription Drug Monitoring Program.

##### Hour 4 | Knock, Knock, Its' the DEA!

Learn how to proactively prepare for a DEA audit and how to handle a DEA audit when the DEA knocks on your door!
